FOLLOW-ALONG PICTURE STEPS

STEP 1 Use: **Paint Bucket (G) + Rectangle (U)**

Fill the Water & Sandy Bottom

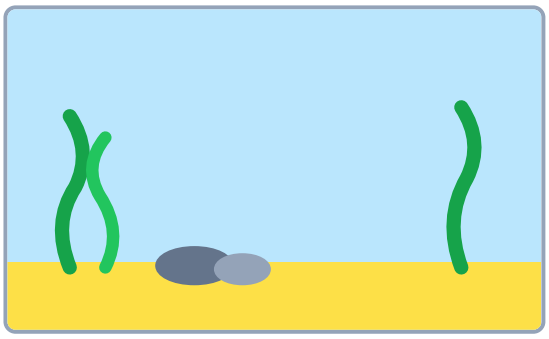

- Open **File > New** and click **Create**.
- Use the **Paint Bucket (G)** to fill the page with **light aqua blue** water.
- Use the **Rectangle Tool (U)** to draw a **yellow** sand floor along the bottom.

STEP 2 Use: **Paint Brush (B) + Circle Tool (U)**

Plant Green Seaweed & Rocks

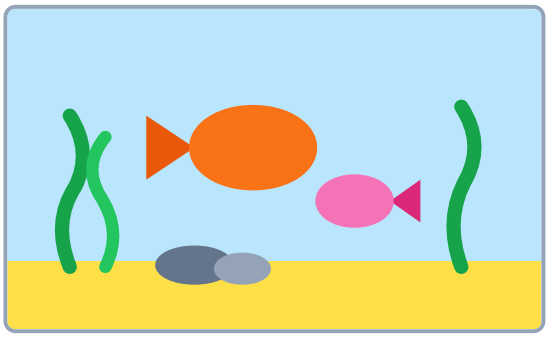

- Pick the **Paint Brush (B)** with bright **green**.
- Wiggle your brush upward from the sand to paint tall wavy seaweed plants.
- Use the **Circle Tool (U)** to add two **gray** ovals on the sand for rocks.

STEP 3 Use: **Circle Tool (U) + Paint Brush (B)**

Create Two Colorful Fish

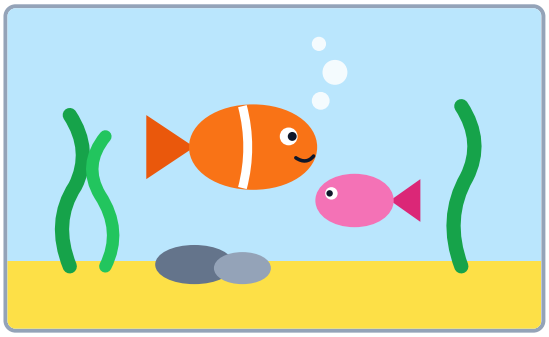

- Pick the **Circle Tool (U)** and drag a big **orange** oval in the water.
- Add a triangle tail on the back of the oval using the **Paint Brush (B)**.
- Repeat with a smaller **pink or purple** oval to make a second fish friend!

STEP 4 Use: **Paint Brush (B)**

Paint Stripes, Eyes & Bubbles!

- Switch to the **Paint Brush (B)** and paint **white** stripes on your big fish.
- Add a white dot + black dot for each fish's eye, plus a tiny smile.
- Dot rising **white** circles floating up toward the top for air bubbles!
